KIDS ATTENTION! PICNIC SATURDAY

Elks Will Hold Annual Children's Day at Eastlake Park, With Eats And Drinks for Every One

If you are a child and can't read, ask your dad or mother to peruse you the following amiable offer by the Elks.

The annual children's picnic of the Elks lodge will be held at the renowned and much beautified Eastlake park Saturday. Not without recollections of their own several boyhoods, the Elks give each year a jolly fest for the youngsters of all ages, classifications and previous conditions of servitude. The plan is to assemble a thousand or two kiddos at the Elks theater at ten o'clock Saturday. Autos and street cars will be provided for conveyance. Extreme care will be taken of the youngsters, and the assurance is given mothers and fathers who can't attend, that their offspring will be cared for with every solicitude. There will be refreshments. This in itself ought to induce every boy and girl to attend. But the well known hospitality of the Elks is another inducement that predicts a whole of a crowd. You youngsters don't have to be Elks or the sons and daughters of Elks to get in on the celebration.

The committee in charge consists of J. L. R. Alexander, Fred Hildreth, Fred Morton, A. L. Moore and H. Kirehefer.

PRETTY CEREMONIAL AT GARDEN SCHOOL

Ten Tiny Tots Graduate From Miss Lucy Terrill Ellis' Kindergarten: Diplomas Awarded

Last night, ten little graduates of Miss Ellis' Garden school were given diplomas at the close of the sixteenth commencement exercises of that worthy institution. The entire program was delightfully and beautifully performed by the fifty little folks, who composed the "student body" during the year.

Not a single child was missing. The grounds were prettily decorated. A throne, stage and seats were all of white, profusely decorated with huge bunches of flowers. Fifteen songs and five difficult dance numbers were executed with grace and ease.

A large audience was enthused at the program, which led up to the crowning as Queen, little Miss Dorothy Stauffer. Following the program, the ten graduates appeared in pink caps and gowns and were presented with their diplomas, neatly done up in pink ribbons, by Mrs. Dwight B. Heard. Mrs. Heard also gave a gift box of candy and a bunch of sweet peas to each of the following, who are now prepared to enter the graded schools:

Dorothy Stauffer, Helen Newhouse, Elizabeth Munger, Helen Harris, Nathan Thayer, Arthur Parsons, Jean Fairbanks, Helen Donofrio, Marjorie Kingsley and Fritzie Struckmeyer.

ENGINEERS MEET—The Arizona Association of Highway Engineers met in the office of the president, State Engineer Lamar Cobb yesterday. Every county in the state was represented at the meeting which was held at this time in connection with the good roads convention. Harold Pargaman, county engineer of Maricopa, was elected secretary and treasurer to succeed W. H. Carruthers, county engineer who resigned the first of the year and has since been associated with a paving company. The annual meeting of the association will be held in Phoenix in December.

GET YOUR NUMBER—Deputy Sheriff Harrison Williams is on the lookout for all motorists who are without numbers. For some time the office of secretary of state could not supply the numbers but with the announcement that they had been received the law will now be in full force and effect, says Mr. Williams.

RETURN FROM CLIFTON—Chairman F. A. Jones of the corporation commission accompanied by Member Cole and Reporter Philipposki, have returned from Clifton where they heard several important cases. A. A. Betts, rate expert for the commission and Engineer Ben Ferguson, who were also at the hearings, will not return until today.

BOARD OF CONTROL—At a meeting of the board of control the matter of the settling the claims put in by the flood sufferers in Apache county, was taken under consideration. The board not believing that all the claims were in, held up the matter and gave notice that all claims must be in by the 20th of June. The last state legislature set aside \$30,000 for the relief of the sufferers. The amount of the claims thus far put in exceeds this amount, thus making it necessary to pro rate the amount on hand.
